Editorial

Austen, Boelo, Chloe, Dano and Evelyn…
As I write this, we're being battered a bit by Austen, there's a tree down on the railway closing the Tarka Line, and the worst news of all…the heating's been turned on. Such decadence! The hot, very dry, summer seems a long time ago…although we're still in drought conditions and the river is pretty dry down under the bridge. Anyway, stock up with super noodles (or the nicer Lidl/Tesco equivalent, not pot noodles though, they're weird – I think I'm studying these noodle things in too much depth), basics, baked beans, gas stoves, wine, whatever…you know what happens when we get bad storms in the southwest, the electricity goes and despite the efforts of the one man that always goes the extra mile (actually literally just the one mile) to keep Yeoderville up and running (he knows who he is!), sometimes it's knocked out for longer anyone would want, so heed the warnings and don't think it won't happen. Don't be left in the cold, the dark or hungry or, perish the thought, thirsty.

Anyway, enough of the gloom, actually maybe not, it's seasonal affective disorder time, yay! The clocks are going (gone by now) back. Aaaargh! Right, so, October…that meant Yeo!Cider, and it was a roaring success with 170ish people turning up to taste the appley delights and eat the amazing food from the kitchen dished up by Tim and his team. More about that inside.

This month sees the YCA AGM up at the hall, so if you're interested in contributing something to the betterment of the village and society in general, get up there, share your views and volunteer for something.

And that's it…I'm off to rake up some leaves…again…

Cheers… **The Editor**

CREDITON HAMLETS PARISH COUNCIL

At the October meeting of the Parish Council: Cllr Parker noted that some recent road closures had been subject to little/no advance notice. It was recognised that sometimes emergency works mean advance notice is difficult however the Clerk reported that in some cases, advance notice is only received from Highways on the date of the proposed works being carried out.

Cllr Cairney (DCC) reported that as a result of increased passengers using the railways the Rail Network are proposing to increase the number of carriages on the line running through Yeoford.

After much lobbying by the Council, and with the help of Cllr Cairney, confirmation has been received from DCC Highways that the winter gritting route will be extended through Yeoford village to Woodland Head Cross.

The Council usually meets on the first Monday of each month. The next full Council meetings will be on Monday 2nd November at the Boniface Centre, Crediton and Monday 7th December at the Community Hall, Yeoford. If you would like to read the minutes of the October Parish Council Meeting they are on the PC website. Please contact one of your councillors or Charlotte Long, the Parish Clerk **clerk@creditonhamlets-pc.gov.uk** or **01363 84558**) if there is something you would like discussed at the next Council meeting. Members of the public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (**www.creditonhamlets-pc.gov.uk**).

YEO!CIDER 2026 – SATURDAY 3RD OCTOBER

So, what have we learned over the years at our cider festivals? Well, one thing is that we get less people than the beer festival, that's a given. We've also learned that cider drinkers turn up later, so not to panic when the doors open. That was decidedly different this year, as punters started turning up before the official opening time of midday. But they're a nice bunch festival-goers, politely sitting whilst we scooted around trying to find random things… Where are the whiteboard markers? We always lose the markers. Sellotape? Nope, not seen it. Anyone got any scissors? No. Ugh, my head feels fuzzy from the tasting the night before. Where's my Irn Bru? Oh, whatever, let's just get going.

YEO! CIDER
Champion Cider 2026

1. HECKS – YARLINGTON MILL
2. Westons – Rosie's Pig
3. Moles – Black Rat Perry

And so we did, and it was absolutely buzzing by about 13:00, with virtually all the seats taken. As ever, the majority of festival goers arrived by train and we were treated to the Captain coming over again from the New Inn. Dogs aren't allowed, parrots are, although there was a wiping up needed. This year we had 13 ciders, with Hecks – Yarlington Mill proving to be the most popular with the tasting panel and also the cider drinkers as it was finished by 15:30. Weston's – Rosie's Pig and Lilley's – Rhubarb Cider followed shortly after.

The 170ish drinkers were treated to music from Bernie in the afternoon and in the early evening The Longdogs kept things stomping along, whilst in the meeting room, England were thumping Croatia 7-0, good times!

By the end of day, there wasn't an awful lot of cider left and that was backed up by our profits, which look like being an amazing £1,400, which go towards the running of the hall and keeping rental prices low for local user groups.

A great effort by all!

YEO!CIDER CONTINUED...

Thank you to all our sponsors who make the day possible: South West Galvanisers, Brooks Contracting, Carl Wholey, The New Inn at Coleford, Fargo Systems, Just Gels of Copplestone, Wild Earth Tattooing, Yellow Mouse Studios, The Duck at Yeoford, Crediton Milling Company, Pool N Spa Services, The Copper Key in North Tawton, The Beer Engine in Newton St Cyres, SimpkinsEdwards and the Tom Cobley Tavern in Spreyton.

And a huge thank you to all the volunteers on the day and also the clean up on the day after. I didn't make that. I was a bit tired.

Cheers!

YEO WARD COMMUNITY UPDATE

Community resilience and winter preparedness

Preparing locally. As our climate changes, we need to be ready for both drier summers and wetter winters. I am bringing together parish councils, community halls, churches and residents across Yeo Ward to strengthen local resilience and emergency planning.

What we are working on: identifying possible community emergency hubs, mapping useful local resources and contacts, improving flood preparedness, and looking at practical longer-term measures such as water retention and slowing the flow.

See a blocked drain or flooding? Please report it to Devon County Council so it can be logged and investigated: https://www.devon.gov.uk/roads-and-transport/maintaining-roads/managing-the-network/flooding-and-drainage/report-standing-water-flooding-or-blocked-drains/

Mid Devon update. The Government has paused and is reviewing plans to reorganise local government in Devon into unitary councils. Mid Devon District Council has welcomed the opportunity for further consideration, while existing council services continue as normal.

Local funding opportunity. Mid Devon District Council's Creative Communities scheme is open to businesses, community groups, event organisers, charities, and town and parish councils. Individual organisations can apply for up to £1,000, or organisations working together can apply for up to £5,000, for tourism, arts, culture and heritage projects in local towns and villages. Projects should be capable of delivery by 31 March 2027. Details: **www.middevon.gov.uk/round-two-of-creative-communities-now-open**

If you have any questions, please get in touch.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.

Tales from the Edge of the Copse

Stories from our smallholding and family life in Yeoford

I'm writing this at the beginning of October, which has been mild and mellow so far, but the predictions are for a stormy Autumn so we have been battening down the hatches: mending the gate latch that comes loose in a storm and fixing up the flat roof which leaks in heavy rain.

It seems one of our animal neighbours got the memo and is stocking up. A grey squirrel nervously keeps dashing out from Yeoford Copse and along our fence, casting uneasy glances around for the village cats. We've named him Pip because he's making for one of our apple trees. We think it's a cider tree as the apples are small and floury but quite sweet and a bit tart.

Every time, he hurries back along the fence, an ambitiously large apple in his teeth. And every time, our runner ducks, outraged at his cheek, send up a ferocious quacking. Pip falls off the fence at the racket, apple and all. This drama often seems to coincide with teatime and is highly entertaining for the kids, and not a little nail-biting, wondering if this time Pip will finally make it!

So the playground rumours have it, we also had a mystery boy visit our garden recently. The village kids have been enjoying games of manhunt, and hurray for kids being kids and not on screens, however, as some of you in the village may also have experienced, someone else's garden can be a handy hiding place. But not when said garden has resident goats! We weren't there to witness it, but according to the playground rumour, said boy's bottom emerging over the fence was just too irresistible for one of our goats. She gave him a swift butt on the trouser seat and sent him on his merry way. We're sorry, she's not available for hire!

Do not mess with this goat! 😊
