Editorial

It's called a post-festive slump apparently...

So, January has just about done, thank heavens. What a dreadfully long, dark, damp month that was. Anyway, now it's February, which lasts about a week.

So, straight to it, the roads...January has seen some unprecedented rainfall in the village, and combined with leaves, debris from fields, hedgerow cuttings, runoff and some crumbling drainage infrastructure has left us with literal torrents down Station Road and regular flooding at the old chapel and pretty much all routes out of the village, including a joyously unwelcome diversion towards Cheriton Bishop. And that's just the recent events. A few weeks back, there was the even more debilitating ice and the comical grit route which doesn't cover the school bus route from Cheriton, meaning schoolchildren unable to get to QE and commuters unable to get to the A30. So, who's responsible? Well, according to various sources, it's a combination of Devon Highways (gritting, drainage), landowners (hedges, debris, runoff) and Mid Devon District Council (street cleaning). SWW manages surface water that drains from properties, the sewer network and mains water supply. Thought it worth clarifying, as responsibilities get conflated when emotions are heightened. By the time you get this, the Parish Council Meeting will probably have already been held, which I'm sure may have had increased attendance to try and address these issues...

Ooof, that was a lot, anyway, other things, get well soon James, who has been under the weather at the pub. The 200 Club results are apparently incoming for all those asking where they've been...and finally Yeofest will be held on Saturday 14th March. As ever, we need sponsors, so please get in touch if you have ideas.

Cheers...

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website
www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

CREDITON HAMLETS PARISH COUNCIL

Despite the inclement weather sufficient councillors were able to attend the January PC meeting.

Presentation was made by residents of Gunstone Road regarding the condition of the road and Councillors resolved to support their petition to the relevant authorities.

Councillors discussed the condition of the roads in the parish generally especially in relation to potholes, drainage & gritting and it was resolved that their concerns will be referred to DCC Highways with requests for appropriate action to be taken.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 2nd February at The Community Hall, Yeoford. If you would like to read the full minutes of the January Parish Council meeting they are on the PC website. Please contact one of your councillors or Charlotte Long, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or **01363 84558**), if there is something you would like to have discussed at the next Council meeting.

Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk)

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.

Yeoford Community Association

Firstly a huge thank you to all those who called, popped in and helped me out whilst James was poorly. It was very much appreciated and reminds us of the wonderful friends and customers we have.

Parish Voluntary Wildlife Warden

Wildlife Matters in Our Parish

I have walked and watched and written of the natural life of the Parish and the wonders of its wilder corners. I hope this has inspired more folks to take the time to be in nature and to care for it.

It's a lonely life wandering the great outdoors so it's always good to share these with others. I had a fantastic visit to Yeoford Primary School where the children shared their wildlife observations.

I wanted to support this activity and encourage it in the wider community. So I asked the Parish Council to fund 3 wildlife log books, which they kindly agreed to. One for the school and its pupils, one for Trinity Church and one for the Duck for general use. The aim: to bring together our natural observations and experiences in one place and allow records of our wildlife to be kept. From first flowers to wild weather, the birds in my back garden to bat watching. All and any observations are welcome.

There will be a launch of the logbooks at the church and at the Duck in early March.
