Editorial

Who switched the lights out?

Ahhhhhhh, the clocks have fallen back or autumned back as we should probably say here, which gives a tad more light in the morning, but blimey it's dark before 5 now, and that is really gloomy. Ah well, roll on 21st December...

Anyway, what's been going on? Well, October was all about Yeo!Cider in the village and once again we welcomed about 170ish people up to the hall to sample our 15 amazing ciders, chomp on the rather superb pulled pork baps, hot dogs, samosas and wraps and get entertained by an array of musicians doing their thing. The full write-up will have to wait until next month, but as per normal, we expect to have made a significant amount of profit to support local hall users.

So, what's happening in November, apart from the gloom? Well, Tuesday Theme Nights are back down at the Duck, so have a look at those and maybe treat yourself. There'll no doubt be a cacophony of fireworks around the 5th, so just consider your neighbours if you're having a party or whatever.

Apologies again to those who submitted pictures last month...a couple were sunflowers, but the weather has changed so much I couldn't bring myself to put it on the cover this month, but please keep submitting!

That's it, apart from I've bunged the recycled timetable on the back pages that you can rip out...thought it handy seeing as the Council doesn't send it around any more...

Cheers...

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website
www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

Parish Voluntary Wildlife Warden

The Parish becoming part of Greater Exeter is another blow for Nature.

At last proper rain, the quiet drip, drip, drip as water falls off the trees and a young robin starts up his song. It's a far cry from the heavy traffic, sirens and bright lights of Exeter.

I cannot believe we have been included in this plan because of our low population, abundant wildlife and rural ways.

Here we are at the headwaters of a river system that flows west into the exe, issuing from hills at the edge of Dartmoor, the Binne, the Yeo, the Troney the Culvery, the Creedy.

Whilst we may be near the A30 and the A377 the most part of the parish is steep ground or floodplains. The trainline follows the rivers and is subject to flooding, as is our main village.

If only officials would step away from their computers and come and look and see what a precious natural resource we are. No amount of mitigation can replace what we have.

I look to Cosdun our beautiful Dartmoor Hill that watches over us and wonder why are we not part of their council area?

Mid Devon launches permanent recycling collections for unusable metal pots and pans

From Monday 15 September, Mid Devon residents will be able to recycle unusable metal pots and pans as part of their regular kerbside recycling collections.

Following a successful trial in Willand and Uffculme between February and May 2025, and a subsequent Cabinet decision in August, this new service has now been made a permanent feature of the district’s recycling service.

Residents should place their unusable pots and pans on top of their recycling boxes for collection - handles can be left on. Teflon-coated items will not be collected and should be taken to your local recycling centre.

Councillor Josh Wright, Cabinet Member for Service Delivery and Continuous Improvement said:

“I am delighted to see an additional recycling stream coming into practice. Each household has a really important contribution to make in maximising our recycling rate and bringing real benefits to our district and community.”

Since October 2022, when the Council launched its Bin-It 123 scheme, recycling rates have significantly improved thanks to actions of residents with more than 58% of all waste now being recycled.

Residents are encouraged to continue putting their plastics, bottles, cardboard, and paper in their recycling boxes, and to put food waste into the blue caddies. Every item recycled helps to reduce the district’s carbon footprint, generates additional income that can be reinvested into local services, and keeps Mid Devon tidy.

For more information on what you can put out for collection in Mid Devon, visit the Council website.

CREDITON HAMLETS PARISH COUNCIL

At the October Parish Council meeting Cllr Stevens reported that has taken photos of the dangerously damaged road bridge at Neopardy. He will send photos to Cllr Cairney (DCC). The repairs to the bridge have been outstanding for several years now, but despite the real risk of a serious accident MDDC and DCC have not carried out the work. Cllr Yarnold reported that he has recruited three new volunteers to help with the upkeep of the planting at Yeoford Station. It was agreed that the Clerk should research the cost of a new sign for the Yeoford Cemetery gate and report to councillors at the November meeting. Cllr Beasley reported that she has notified DCC that the Station Road sign at the Woodland Head end of Yeoford has been obscured and awaits a response.

The Clerk reported that she had attended Exeter City Council's presentation on their bid to run an urban focussed Unitary Council after the Government's proposed Local Government Reorganisation. Exeter City Council has included Crediton Hamlets and many other parishes in the bid, justifying these by describing the included parishes as having a natural affinity with Exeter and being "semi-urban" areas. This is just one of the proposals being put forward for Devon. It is understood that the Government will run a consultation on the reorganisation in 2026. More information is available online at Local Government Reorganisation and Devolution - MIDDEVON.GOV.UK and Devolution and Local Government Reorganisation - Exeter City Council.

At the end of the meeting councillors said farewell to Rachel Hodder, the outgoing Parish Clerk and welcomed Charlotte Long, who is taking over the role.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 3rd November at the Boniface Centre in Crediton. If you would like to read the full minutes of the October Parish Council meeting they are on the PC website. Please contact one of your councillors or Charlotte Long, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk), if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk)

2025/26 Waste Collection Calendar

Your normal collection day is a Tuesday

Collections which are late due to a bank holiday are marked with *

- Food waste is collected weekly from your blue food caddy
- Recyclable materials are collected fortnightly from your black and green recycling boxes
- Chargeable garden waste is collected fortnightly from your brown wheelie bin or 'pay as you go' sacks
- Non-recyclable materials are collected every three weeks from your black wheelie bin or reusable seagull sack
