Editorial

It's June, which means the summer is officially here...

There's something quite wonderful about June...brighter skies, a glimmer of sunshine, warmer days, holidays approaching, it just oozes a sense of optimism and happiness. Lovely!

Anyway, what's been going on in village? Well, not a huge amount, the public rubbish bin has inexplicably been removed by the Council from outside the pub, meaning that there's no public bin at that end of the village, which is a bit bizarre seeing as the other bins in the village still need emptying. Very odd.

With the increased farm traffic travelling through the village, there has been more murmurings regarding the pitiful number of public footpaths in the area. It's certainly not the first time that this has cropped up and looking at DCC's interactive map, you can see there isn't a lot around us despite the rolling countryside (www.devon.gov.uk/prow/interactive-map/). For those exploring how this can change, maybe speak to landowners directly or contact Parish, District or County Councillors...

What else? Oh, some activity seems have occurred on the road surfacing front, which was much needed, especially up towards Punchbowl and other bits and pieces seem to be happening on the main Crediton road. Oh, the excitement!

That's about it, have a wonderful June (how couldn't you?!), enjoy the weather, look forward to the holidays if you're having one and keep smiling...

Cheers...

CREDITON HAMLETS PARISH COUNCIL

The Parish Council held its Annual PC Meeting on Tuesday the 6th of May. Cllr John Stevens was elected as Chair for another year and Cllr David Parker was again elected as Vice Chair.

The Annual Meeting was followed by the May PC meeting. Cllr Yarnold updated Councillors on plans to brighten up Yeoford Station with some planting. The application to the GWR Station Fund has been submitted and a training session for volunteers is planned for the 15th of May. Councillor Yarnold also reported that he had been approached by a resident of Yeoford about DCC's poor workmanship in the clearance of local drains. Councillors will raise this with Cllr Cairney, the Parish's new DCC Councillor at the next meeting. A resident of Binneford had reported faded road markings, raising the fear of vehicles and tractors not giving way at the junction. This will also be raised with Cllr Cairney.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 2nd June in the Crediton Boniface Centre. If you would like to read the full minutes of the May Parish Council meeting they are on the PC website. Please contact one of your councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or 01363 85523), if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website
www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

Trespass at Woodland Head – the truth

Old Smithy, Woodland Head, Yeoford EX17 5HF

Dear Yeoford Village Voice,

We write this with a sense of both sadness and being ill-served. It concerns a groundless claim, made to Crediton Hamlets Parish Council [minute 8446]. In it a councillor falsely stated that the neighbours of the derelict house in this hamlet [Bell Cottage] had been using its garden, for around ten years, trespassing in order to obtain squatters rights. In an email on Council business, seen following a Freedom of Information request, they named us twice.

They said they were complaining, with the claimed support of several neighbours, using the pronoun 'we', disseminating their fake news beyond minute 8446, including, according to an independent witness, immediately prior to the start of a public meeting in Crediton. Certainly one friend from Bow told of having heard the accusation second hand.

In fact the boundary between Bell Cottage and us zigzags, a form of flying freehold, running within 5 metres of the cottage, as our deeds [since the 1960s] and Land Registration confirm. To a thoughtless, casual observer it might appear our use of our 10 x 25 metre vegetable garden behind Bell Cottage was trespass, although the councillors' Code of Conduct obligations call for a higher standard than casual observation.

To show the ridiculousness of the claim, one of us [ALS] was growing salad plants there competitively in the 1970s while a pupil at Yeoford School, when Bell Cottage was a well-kept family home the other side of a fence. A straw poll of the hamlet's long standing residents showed none of them supported the councillor. When asked who the several 'supporters' were, only three names [scarcely 'several'], were forthcoming, with two of them openly denying any involvement. The councillor eventually backtracked from directly supporting the accusation, saying they were just reporting the concerns of the 'several'.

When first confronted over the false accusations the councillor was evasive and obfuscative. On 9th May 2022, after a substantial cooling off time, we [TRH and SEH] discussed the matter with the councillor, who agreed to issue a retraction and apology through the Parish Council, accompanied by a statement in the Yeoford Village Voice and the Crediton Courier. None of these have happened, despite them saying at the time they wanted to clear up the matter; even though they asked to shake hands on the agreement.

On 11th October that year I [TRH] spoke to the councillor, asking about their progress with the agreement. Their reply was abruptly dismissive and they drove off. The following October 4th, I saw them and repeated the question. They said "What are you going to moan about now?" and walked away. Subsequently I gave a brief statement of the facts to the public session preceding the May 2024 Parish Council meeting. A clear implication of it was that if the councillor did not carry out what had been agreed, we would complain to the MDDC Monitoring Officer, who is responsible for parish and district councillors' Code of Conduct and their standards, as set out as the 'Nolan Principles'.

As the councillor's promised statement has not been forthcoming our resort turned to the MDDC Monitoring Officer and their complaints procedures. The preliminary paragraphs of MDDC's rules covering complaints express a preference for an informal approach, and if wished, avoidance of their formal proforma. This avoidance is necessary anyway for users of some Apple computers, such as ours, its software is not compatible with their proforma. In any event an informal approach has been our choice all the time.

Despite MDDC's preference for informality the complaint was rejected because we had not submitted on their form and that the whole procedure had taken more than the 3 months limit they set for formal proceedings. While appreciating the District Council has much bigger fish to fry, we are left feeling let down by their inability or unwillingness to enforce the Nolan Principles. Those are rules for basic civility and decency in public office. Beyond that MDDC has turned a blind eye; not even a two minute phone call with 'a word to the wise', all in their preferred spirit of informality. That blind eye is to a councillor who disseminated untruths for motives best known to their self, then failed to honour an undertaking to retract and apologise, in spite of having shaken hands on it.

Yours sincerely,

TR Harrod, SE Harrod, GH Harrod, LA Skipper

Library at the Church

Following the demise of the Mobile Library, alongside the books at the station, there is also now a small library in Yeoford Church and all are welcome to borrow books.

Looking to the future

The Committee of the League of Friends of Redlands surgery, recently held a meeting to discuss future fund raising events.

Two Bingo sessions have been arranged, to be held at Crediton Football Club on Fridays 29th August and 28th November.

It is also hoped to have a Skittles evening, where players will compete for a purpose built trophy. Unfortunately, the existing trophy has apparently disappeared without trace. It was last fought for pre-Covid, when it was still in Chiddenbrook League of Friends hands.

Does anyone know of the trophy's whereabouts? If so, could they please telephone 01363 84385.

Thank you.

THE DUCK AT YEOFORD

Not much to mention this month apart from the fact Devon County Council have decided to remove the public bin. When we enquired into why this is the reply we received - *Following a review of its usage over the past three months, we identified that the bin was used infrequently and was also positioned on private land. As a result, a decision was made to remove it and it will not be replaced. We kindly advise that dog waste can be disposed of in black general waste wheelie bins, which are collected as part of the regular household waste service.*

The matter has now been passed onto the Parish Council and we'll hopefully get a new bin for this end of the village.
