Editorial

Still wet out there...

I could cut n paste from last month to blether on about the flooding and mud on the roads (what do you mean that's what I always do?!), but I won't because things are looking brighter! Literally! The days are getting lighter and longer and this year the clocks are going forward at the end of the month, which is always a bonus! Finally, we'll crawl out of the quagmire of winter and towards the sunny demure of summer, hurrah!

Anyway, what's been going on in and around the village...well, not a huge amount, other than cursory glances towards Crediton to see how the Lidl and McDonalds developments are getting on, oh and the Leisure Centre is getting a changing room upgrade, so that's pretty good news.

Back over here, the roads are churning up again, so please make sure you identify any potholes via the DCC website. If you damage your car on one and it isn't already on their system, they shirk their culpability very quickly.

So March and that means Yeofest! Back at the hall for the 15th time on Saturday 15th March, we'll have the usual raft of beer, cider, hot and cold food, rugby and music throughout the day. We've already gained a huge amount of lovely sponsors both locally and further afield who we'll be thanking in next month's issue—you know who you are!!! As ever, we'll be expecting an influx of a lot of lovely punters from the trains (fingers firmly crossed for no problems!) to the village, so come and join the fun!

Until next month...

Cheers...

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website **www.creditonhamlets.org.uk**.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

CREDITON HAMLETS PARISH COUNCIL

At the February Parish Council meeting Councillors Beasley and Yarnold explained that during icy weather the school bus drivers do not drive down to Yeoford from Woodland Head. This means that QE students are not picked up by the school bus. The road should be routinely gritted as it is a school bus route. Cllr Letch and the Clerk will contact Highway Management at DCC to ask them to arrange for gritting.

Cllr Yarnold also raised the flooding caused by blocked drains in Yeoford and elsewhere in the parish. The flooding is dangerous and inconvenient and puts homes at risk. Cllr Letch and the Clerk will contact Highway Management at DCC to ask them to clear drains regularly.

Cllr Yarnold explained he would like to obtain funding for pots planted with flowers to make Yeoford Station more attractive for rail users and residents (as is done in Copplestone and Crediton). He has had a positive response from the GWR Station Manager. Councillors resolved to join the Community Rail Network at a cost of £25, which it is hoped will release funding so that precept monies are not used.

It was agreed to hold the Annual Parish Meeting at Yeoford Community Hall at 7.15pm on Monday the 3rd of March. This is not a PC meeting. It is a meeting for residents of the Parish who are very welcome to join the meeting to celebrate or debate current issues in the Parish. The meeting will be chaired by the chair of the Parish Council but there is no set agenda. It will be immediately followed by the March PC meeting.

Cllr Beasley explained that football tournaments are planned for Yeoford sports field and asked whether the Council could prove trophies, it that was something Councillors resolved to do. The Clerk will report back at the next meeting. The Clerk explained that it had been decided not to pursue the idea of a mural on Yeoford rail bridge.

If you would like to read the full minutes of the February Parish Council meeting they are on the PC website. Please contact one of your councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or 01363 85523), if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

4pm – 9pm**

Crediton Library, Belle Parade, Crediton, EX17 2AA

The Folklore Library & Archive is proud to announce the launch of its new Devon Railway Heritage Archive, which focuses on the hidden heritage of Devon's branch lines.

The project was kindly funded by
Great Western Railway's Customer & Community Improvement
Fund.

**We cordially invite you to our Grand Gala Launch,
to celebrate and showcase the work undertaken to create
this new collection**

Kick Start Art - a New Art Project for Children

Crediton Heart Project is proud to announce a new and exciting community art project. The project is called Kick Start Art and is for all school aged children living in Crediton and its surrounding villages. It is led by Linda Williamson, a recently retired teacher who worked in local schools for the past 30 years. Linda and the Crediton Heart Project are passionate about art and started this project to inspire and enthuse children to create art, try some new techniques, learn about a range of artists and most importantly to have fun and enjoy the process!

For any of you who enjoyed the TV shows Take Hart or Art Attack, the idea is similar: each term, Linda will set an art challenge. She will share the challenge with Queen Elizabeth Academy and all of its feeder primary schools, who will then share the information with the children and their parents. Schools, parents and children can access all of the information, resources and ideas on the Heart Project's website: www.creditoninandaround.co.uk/kick-start-art

The website includes teaching videos, links to artists and resources to support the project. This term's project is Still Life. Children are encouraged to watch Linda's video to get ideas and hopefully they will be inspired to create their own still life. If they wish, the children can enter their art work into the termly competition which will be judged by Linda and a group of QE Key Stage 4 students. The winners will receive prizes and their work will be displayed around the town, on social media and on the Heart Project website.

Why don't you visit the website and learn more about the project, learn about the mascot, Dan and the project logo, discover how they were designed by QE students and, finally, try to encourage our young people to pick up a pencil or paintbrush and take part!

We've started off 2025 with a good start raising £166.67 from our Wear What You Love day at school, followed by an after-school bake sale. The children came in their favourite clothes ranging from party dresses to Spiderman outfits! Work will be starting soon on using our Tesco grant to build some more undercover areas for the children to play/store equipment and we're helping with repairs to their outdoor play equipment.

We're planning an Easter event for the children at the end of their Easter term, but in the village, we have a Bingo night to look forward to in May at the village hall as there have been several requests for this. So come along and join us and you never know you might go home with a prize!

www.facebook.com/Yeofordcommunityprimaryschool/

A colorful poster for a Bingo Night event. The background is a soft, pastel-colored watercolor wash. At the top, the words 'Bingo Night' are written in a large, bold, black font. Below this, the text 'Prizes To Be Won' is written in a playful, purple and blue font. In the center, there is a small illustration of a bingo card with a red dot, a globe on a stand, and a blue bingo ball with the number 5. The date 'Saturday 17th May' is written in a large, bold, black font. Below the date, the location 'Yeoford Community Hall' is written in a bold, black font. The event details are listed: 'Doors open 7pm', 'Eyes down 7.30pm', and 'Tickets £10'. At the bottom, it says 'Bar open to buy refreshments'. The contact information is at the very bottom: 'To book tickets please email : yeofordschoolpta@gmail.com or message us on Facebook: yeofordpta'. The poster is decorated with several circular icons containing numbers: a yellow circle with '1', a blue circle with '10', a pink circle with '4', and a green circle with '14'. A small version of the Yeoford Primary School PTFA logo is in the top right corner.

Parish Voluntary Wildlife Warden

The song thrushes wake me up early, on my doorstep the wrens are flirting in the hedgerow and a robin arrives with a song for his breakfast of toast crumbs. Soon it will be time to get busy in the garden, so here again are some gentle reminders of why gardening for nature makes sense.

Gardening for wildlife can save you money. Go chemical free and you're guaranteed to spend less on products. Wood ash, farm muck, homemade compost and liquid feeds can nurture your plants. Soapy water in a sprayer sees off the worst of damaging bugs and natural predators will eventually keep pests under control. Planting marigolds also deters pests and are easy to grow from seed. Choose a single not double variety of marigold to help the hover flies and other pollinators.

Let your grass grow until midsummer. Haymaking is a rare thing currently. Unpredictable weather has ruled it out in favour of making silage. Cutting for silage begins as early as April and the huge number of insects that would live in and feed on the grasses and flowering plants as they grew have gone. Combined with the wet weather last year it's been a disaster for invertebrates. Winged insects need our help more than ever, making hay, even if it's just a metre square will help.

Indeed if a patch of grass is left year round it encourages overwintering insects such as the beautiful and native marble white butterfly.

Try planting native plants especially later flowering species. The beautiful field scabious is native and clinging on locally. It flowers through to the first frost and is easy to raise from seed. It needs to be in the ground once established, with good drainage; so below a hedge on a bank in a sunny spot is ideal.

Whatever the politicians say, the climate is changing and wildlife needs our support. Every little change you make can make a difference and the more of us that do it, the better our natural world will be.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.

Be warm, when you want

Say goodbye to night storage

If your house gets chilly towards the end of the day, or if your toes feel cold while your heating's on full – you're not alone. At South West heating, we've helped over three thousand customers escape the struggles of old, expensive night storage heating, oil or gas.

Our efficient, German electric radiators spread warmth evenly around your home, from floor to ceiling, and make it easy to choose your perfect temperature in every room.

ELKAtherm® heats up quickly and is simple to control – so you can be warm, whenever you want... without a big electricity bill.
