Editorial

Spring is Definitely in the Air..

...or are they muck-spreading again? Ho, ho! Well, it seems to be getting sunnier, and it's definitely getting lighter, which can only be a good thing! By the time you read this, the evenings will be brighter and barbeques will be getting dusted down and de-spidered as the village crawls out from its almost bear-like winter hibernation slumber. Or something like that.

Anyway, March, and what a month that was, with what appears to be the biggest ever Yeofest, which saw over 400 punters rock up to the village hall and pretty much drink the place dry. As ever, it was a herculean effort by the volunteers, both before, during and after and it also looks like being the biggest profits made ever, which go towards the upkeep of the hall and keeping costs low for the village user groups, of which more are very much welcomed.

This month, there's not a lot of specific events, but you'll see inside, a lot is happening around and about, including a big request for volunteers to help tidy up the station to get it on par with all the other stations up and down the line.

Being April, there's the obligatory April Fool courtesy of Devon County Council on the front cover. They're such a bunch of wags, eh?!

Any, until next month, enjoy the ever increasing light...

Cheers...

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website **www.creditonhamlets.org.uk**.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

Yeoford Zoo

The long-awaited arrival of camels, zebras, lions, elephants and other exotic animals to Yeoford took one step closer after planning permission was granted for a 100ha zoo on land behind The Oaks. Although the initial inhabitants of the zoo are expected to be mostly cows, local residents are said to be ecstatic at Yeoford becoming the so-called "Savannah of the South-West".

CREDITON HAMLETS PARISH COUNCIL

At the March Parish Council meeting Cllr Martin Binks (MDDC) updated Councillors on MDDC's response to the Government's proposals for devolution and local government reorganisation. MDDC has reached an initial agreement to work towards the formation of two Unitary Councils. One comprises East, Mid Devon, North Devon, Torridge and the City of Exeter. The other comprises South Hams, Teignbridge, West Devon and Torbay. Further information from Government is awaited.

Cllr Yarnold reported on plans to smarten up Yeoford Station. He has met with a representative of Great Western Railway and is hopeful that a grant for new planters and a water butt will be agreed. Cllr Yarnold is hoping that a small group of local volunteers will come forward to help with the project.

The PC had received a letter from the North Devon Line Rail Promotion Group (formerly known as the Tarka Rail Association). The Group works to promote and enhance the North Devon Line, including the support of Yeoford as a community station. Councillors welcomed this initiative and voted to join the Group for an annual fee of £15. Councillor Yarnold agreed to act as the Council's representative on the North Devon Line's Station Representative Group, which aims to address the specific needs of stations on the line.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 7th April at the Boniface Centre in Crediton. If you would like to read the full minutes of the March Parish Council meeting they are on the PC website. Please contact one of your councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or **01363 85523**) if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

Library at the Church

Following the demise of the Mobile Library, alongside the books at the station, there is also now a small library in Yeoford Church and all are welcome to borrow books.

County Councillor Newsletter—February

As you know I'm a member of three councils Crediton Town Council, Mid Devon District Council and Devon County Council. Throughout the month of February all three councils have been wrestling with the same challenges, namely to produce a balanced budget and to safeguard as many of the services they supply to the expected level.

The simplest is possibly Crediton Town Council where the clerk, who is also the responsible financial officer is given a list of priorities from the councillors and then sets out a budget that will hopefully cover them all. The budget was discussed and agreed so therefore council can claim its precept, this is the amount you pay. People always get worried about percentages and figures and I have to say I'm a simple man and go for the money not percentages. As you will see the town council has made a small rise that this had to be expected from central government increases and a desire to keep up our services.

The Mid Devon district Council is a slightly more difficult situation as they have statutory commitments but also a number of voluntary things that they do such as leisure centres, open spaces and things of that sort. The main statutory requirements are planning, recycling, licensing, enforcement and housing. Fortunately we have a very good bunch of councillors who even though they are not all from the same party managed to discuss sensibly and constructively with officers and have produced an excellent budget with no need to go into reserves.. I'm not going to the figures here but if you wish to bingo online and find out exactly what has been decided.

County Council has been more difficult because the numbers are huge and also the numbers on the floor of the council are different in that we have three or four different groups who do not always agree. The process is the same, the budget goes before each scrutiny committee, who make their comments, and this goes to the Cabinet who note comments and then makes recommendations to full council and here is where some extra discussion does take place. Much to everyone's surprise an amendment to retain the £8000 Locality Fund was proposed and it passed!

The one area of concern which I have discussed briefly is of course the OFSTED. The first inspection took a blazing October, officers were not happy not just with the result but the with the way the officers from OFSTED carried out their inspection. It was decided to set up a new OFSTED which came into play in January but we have still heard nothing. The long grass gets longer and longer.

YEOFEST 15—SATURDAY 15TH MARCH 2025

For possibly the first time ever, everything came together: the sun shone, the trains all ran, all the beers were sponsored (more on that below) and we remembered to advertise it! Yes, it was the 15th Yeofest and the most successful to date. We estimate that over 400 people visited throughout the day to sample some of our 18 fine ales and local ciders and listen to the live music which ran all through the day.

Spirits were high with the first pulse of people queuing from 1030 (we open at 1130!!!). Our favourite beer didn't last long. Festival winner, Dancing Duck Dark Drake was the first to run out – around 70 pints gone by early-afternoon. Two other local ales, Beer Engine's Pullman's Progress and Utopian's British Pale didn't last that much longer! Our other favourites, Tewkesbury Gold and the reborn Skinner's Betty Stogs also ran out later in the afternoon.

Dark stouts and porters were popular this year with only one left going into the evening. As the early pulse of CAMpaign for Real Ale (CAMRA) members drifted away, replaced by locals who were happy to party into the evening, one was heard to say it was his favourite beer festival. High praise from CAMRA indeed!

We are delighted to report that over £3,800 was raised for the upkeep of the community hall and recreation ground.

As ever, we couldn't do this without our fantastic sponsors – thank you so much to (in no particular order!): Pool n Spa Services, Grape & Grain

Wine Merchants, The Beer Engine, Newton St Cyres, Crankhouse Coffee, Howdens, The Duck at Yeoford, Paul Brimacombe, The New Inn, Coleford, Southon & Co, The Generator Hub, Hanlons Brewery, Wild Earth Tattoo Studio, Rod and Pete Davis, Christine Francis, Crediton Milling Company, Ubicom, SW Galvanizers, RJ Brooks & Son, Dan the Man's 40th Birthday, Utopian Brewing, The Hog Hospital, Devon Tree Services, Macra Engineering, The Tom Copley Tavern, Spreyton, and Simpkins Edwards.

Thank you also to our musicians, Crediton Samba Band, Rob Murch and Busker Bernie, the Long Dogs and Yeo Division for keeping us dancing all day.

Lastly, thank you to our army of volunteers who join in every year to keep things running smoothly. If you are interested in helping out at a future event, don't be shy, please do get in touch!

If you missed out this year, hopefully we'll see you in 2026.

Cheers!

The Yeofest Organising Team

Mid Devon is Now Active

A new leisure journey has begun in Mid Devon with the launch of Active Mid Devon.

The shift from Mid Devon Leisure to join the nationally recognised “active” branding, used by many other organisations, represents the council’s wish to provide more than just leisure facilities, with a move towards encouraging healthy lifestyles through physical activity, health checks and socialising.

While already boasting more than 6000 members, running more than 100 classes each week, and attracting tens of thousands of swimmers to its pools every month, the leisure staff are already busy supporting customers with their fitness goals. But they do much more and staff at all three sites, in Cullompton, Tiverton and Crediton also undertake customer health checks, work with GPs on health referral schemes and encourage clubs to meet and socialise on site.

Now a new look will encompass this and shows our customers that we offer much more than sports halls to hire and swimming sessions to attend.

As part of Active Mid Devon we have, today, launched a new booking system for customers which gives them greater control over their bookings and account. The booking system will allow customers to manage their classes, view live schedules, pay fees and set up reminders.

Customers will have to register on the new system and create an account to access classes and bookings. It takes just a few minutes and is free to register.

Customers will notice a number of other changes, with the launch of a new app coming soon, but we want to assure our members and casual users that their classes will remain the same and they do not need to amend any direct debits.

Andy Mackie, Operations Manager for Leisure, said: “These changes are about embarking on a new leisure journey that encompasses fitness, mental wellness and social connections. For many years our leisure centres have offered much more than classes and gyms and now we are recognising this with a new vision and approach. This is about offering our customers more of what they want, and an easier way to take part, whether you are a casual swim user or take part in multiple classes a week. Customers will now have greater control over their bookings, can check course progress and manage their accounts.”

The new booking system, which in the first instance is available to members, is now live.

Non members will be able to view classes online and register, but until our payment system is integrated, which will take place in the coming days, will not be able to book a class or activity online.

Message from the Parish Council

YEOFORD STATION – VOLUNTEERS PLEASE!

Councillor Nick Yarnold is looking for a few volunteers to help spruce up Yeoford Station, which compared to Crediton and Coplestone Stations looks a little unloved.

It is hoped that Great Western Railway will donate the funding. The plan is to purchase some plants, flower tubs and a new water butt. Nick is looking for to help set up the project, with the ongoing care and with future planting.

If you can spare an hour or so every now and again please contact Nick on **01363 84536** or **nyarnold@creditonhamlets-pc.gov.uk**

Holy Trinity Church Yeoford

Easter Sunday on 20th April the
pinnacle of the Christian year
when we celebrate Jesus Christ
rising to life from his death on
Good Friday.

The service on Easter Sunday will
be a Family Holy Communion. We
will have communion service but
include the children with activities
and an easter egg hunt. This will
replace the Family service usually
on the fourth Sunday. Everyone
will be very welcome and we will
celebrate the wonderful message
of Easter together.

The Community Lunch will be on
April 7th 12-15 for 12-30pm.

Coffee Company Monday's 10 till
11am unless there is lunch or it is
a bank holiday

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.
