Editorial

Brrrrrrr...

Well, that feels a lot fresher doesn't it? Not sure if I like it, or this cold or whatever it is I've managed to pick up. Anyway, the nights are visibly drawing in, it's getting colder and, blimey, the heating'll be going back on at this rate. Autumn, eh?

So, what's been going on in the village in September? Well, the children are back at school, so look out for any random single gloves, soft toys, scarfs, bobble hats, coats, hairbands or whatever on the pavements, from experience I know this to be very traumatic for all concerned!

This month, first up, on the 7th there's over 65s Chair Yoga up at the hall and on Saturday 18th it's Yeo!Cider, the preparations for which are well underway, with pretty much everything sorted, so it's just down to getting people through the doors, which isn't normally that tricky due to the nature of the event. Let's just hope the trains don't throw a random wobbler. Anyway, it'll be the usual cider, beer, food, lots of music, games and a huge amount of fun to be had, so get there from midday onwards.

Apologies to those who submitted pictures for the cover this month. Yeo!Cider takes precedence. But, don't worry, I'll keep them in mind for future issues, thanks!

What else? No, nothing pressing. Winter is coming...blimmin' quickly...

Cheers...

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website
www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

Parish Voluntary Wildlife Warden

Plant a tree, and another and another.

It's been a busy summer, with work taking me out of the area. By mid August it was finally time to just be here. To listen to the wind in quiet lanes and gather blackberries under big skies.

It's been too dry for too long, the maize has suffered badly and weeks of fodder was needed for livestock as fields turned brown.

Meanwhile the oaks have stayed green and are heavy with acorns. They want to seed a forest where a forest once stood, with a canopy that offers protection from extreme heat, cold, wind and rain. A forest is a rainmaker and an earth stabiliser, not just a crop but a complete ecosystem. An ecosystem that feeds wildlife and people.

As the weather becomes more extreme, more tree cover will be needed. Trees are the only proven capturer of carbon known to man. All talk of carbon capture technology is just that; talk. We need action now.

Whilst folks are busy fighting, Nature is quietly trying to be the solution.

So plant a tree and another and another...

CREDITON HAMLETS PARISH COUNCIL

At the September Parish Council meeting Cllr Price confirmed that the defibrillator at Woodland Head is now installed and ready for use. The Clerk will put further information in the Village Voice. Several residents of Gunstone attended the meeting to speak about flooding and the dangerous state of the road around Gunstone Mill. Cllr Cairney (DCC) agreed to contact the Highways Officer about replacing the drain with one of a wider diameter to reduce the flooding (which had affected a house and domestic yard). Cllr Cairney also asked all those concerned about the state of the road to email the Clerk so that she can collate all the emails and send them en masse to DCC to increase the pressure for repairs to be carried out sooner rather than later.

Cllr Yarnold updated councillors on the planting project at Yeoford Station. More plants are needed for the winter and Cllr Yarnold will apply for another grant from GWR in the Spring.

Councillors discussed a letter received from Exeter City Council which set out its proposal to include Crediton Hamlets (and many other parishes) in its bid for a new urban focussed Unitary Council when the Government's proposed local government reorganisation takes place. All Councillors agreed that being part of Exeter's Unitary Council would not benefit rural parishes such as Crediton Hamlets at all and this option is to be resisted. The Clerk will inform councillors when more information is received.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 3rd November at the Boniface Centre in Crediton. If you would like to read the full minutes of the September Parish Council meeting they are on the PC website. Please contact one of your councillors or the Parish Clerk clerk@creditonhamlets-pc.gov.uk, if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

New Defibrillator at Woodland Head

The Parish Council has installed a defibrillator at Woodland Head. It is on the barn wall of Rock Farm and its location has been registered on The Circuit. It is at the bottom of the "Woodland Head triangle" and identifiable by its yellow cabinet.

When opened defibrillators give instructions on how to use them.

To find out more on when and how to use them search on YouTube for these very useful videos:

Generic Defibrillator at: AED in Action | A 3D look inside the body - This explains WHY a Defibrillator is necessary and WHAT it actually does.

And the similar CPR video at : www.youtube.com/watch?v=Kdf1VfPBSuw This helps people understand WHY CPR is so important and HOW to do it properly.

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.
