Editorial

It's sooooo hot...

Well, last month started with a heatwave and it's just ending with an even hotter heatwave and yes I know we shouldn't whinge about the weather being "nice", i.e. not raining, it's the extremes and climate that are an obvious concern. Anyway, hope you all kept cool somehow and managed to sleep in the sub-tropical fug.

So, what's on? Well, there's a lot of sport happening, there's the too many countries in it World Cup, the Williams sisters are back Wimbledon and most importantly the Yeoford Football Festival up at the Recreation Ground on Saturday 4th July. There's food, drinks, raffles and refreshments available throughout the day, so why not get up there and enjoy the day?!

You'll see on the front cover, the rather lovely new Bug Hotel down at the station. This is an initiative from the Yeoford Station Volunteers, with support from GWR, who have been maintaining our station and keeping it looking great. For those who don't utilise one of the villages prime assets, it's worth wandering down there at some point to see the historical pictures of the station in the waiting room. Yeoford was pretty much Clapham Junction in the early 1900s!

What else, ah yes, the 200 Club has resurfaced! You'll see inside the results from the past year, which were unfortunately delayed due to unforeseen circumstances. Hopefully, things will get back to normal now and this important revenue support stream for the school can continue.

And that's that. Stay cool!

Cheers...

CREDITON HAMLETS PARISH COUNCIL

June's monthly council meeting was dominated by news of proposed road closures when Cllr Cairney (DCC councillor) informed the Council that it is proposed to close the A377 at the Tesco roundabout in Crediton for phased roadworks starting on 29 June and notices being issued by DCC Highways regarding repair works for Neopardy Bridge also commencing on 29 June.

Following the meeting the Council contacted and met with both Crediton Town Council and DCC Highways to establish details of the proposed road-works and associated diversions in relation to the A377 closure. Please refer to the separate notice in this edition for details / information relating to phasing, timing and diversion proposals for both the above works.

The Council usually meets on the first Monday of the month. The next full Council meeting will be on Monday 6th July at Yeoford Community Hall. If you would like to read the minutes of the June Parish Council Meeting they are on the PC website. Please contact one of your councillors or Charlotte Long, the Parish Clerk (clerk@creditonhamlets-pc.gov.uk or **01363 84558**) if there is something you would like discussed at the next Council meeting. Members of the public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets-pc.gov.uk).

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.

YEOFORD FOOTBALL FESTIVAL—SATURDAY 4TH JULY

The Yeoford Football Festival returns on **Saturday 4th July** at Yeoford Community Hall for its third year, once again raising money for **Hospiscare**.

It originally started with a few of us local lads, Matt Cooke and Owen Cooper, playing Monday night football together as kids. We've always felt really connected to Yeoford and the wider community through football, and now as adults we just want to keep that going and use it to bring people together for a good cause.

This year we've got 15 teams taking part, with teams travelling from across the county. Players will be arriving between 8:45 and 9:00am, and leaving around 3:30 to 4:00pm. We've asked all teams to use the designated parking at the hall and overflow areas in the village, and to please avoid parking in front of homes, driveways and dropped kerbs.

Hospiscare will also be collecting raffle prizes closer to the event, so please be aware of anyone else claiming to be involved as there have been recent scam reports linked to local events.

Last year we raised over £1,200 and we're hoping to build on that again this year. There will be food, drinks, raffles and refreshments throughout the day, and everyone's welcome to come down and support.

Thanks for your support, we hope to see you there. For any questions, email us at yeofordoldboys@gmail.com.

The lottery is run entirely by volunteers, and, over the last year, it has become clear that managing all aspects of the lottery administration, renewals, communications and reporting is a significant undertaking for one person. To help ensure everything runs more smoothly moving forward and to relieve pressure from one individual, we are expanding the team of volunteers supporting the lottery. A new volunteer will be assisting with social media updates and village communications, which will help us keep everyone informed on a more regular basis.

Renewals for this year are now due, and we are working through contacting members regarding payments. Where possible, we would greatly appreciate payment by bank transfer, or payments to be passed to the school office, as this helps reduce administration and speeds up the renewal process. Thank you once again for your continued support of the lottery, which raises valuable funds for our school.

Pothole Repair Volunteers

One of the greatest concerns to people, both locally and nationally, is the appalling number of potholes in our roads. Readers will be interested in a self-help scheme whereby volunteers can do the work themselves with materials provided by the Devon County Council.

The picture shows Councillor Jim Cairney, Steve Huxtable (Mayor of Crediton) and Phil Hancock (Lengthman of Hittersley) hard at work repairing potholes on Neopardy Hill recently in the hot weather.

For anyone wishing to participate in the "Road Warden Scheme" further details can be found by contacting **Jim.Cairney@devon.co.uk** or the Devon County Council.

With grateful thanks to the volunteers.

Could you help keep Devon moving? Volunteer drivers needed across the county

Do you want to make a meaningful difference in your community on your own terms?
Are you looking for a volunteer role that fits around your lifestyle, family and work commitments?

If you have a full driving licence, are over 21 with two years' driving experience and access to a vehicle, becoming a Devon Community Driver could be the perfect opportunity.

Devon Community Drivers, a joint project between Devon Communities Together and Devon Access to Services (DAS), is encouraging residents across Devon to become volunteer drivers and inviting Community Transport Schemes to join a new pilot programme designed to attract more volunteers.

Every year, volunteer drivers across Devon help thousands of people get where they need to be – from hospital visits and healthcare appointments to shopping trips, social groups and wellbeing activities. Last year alone, an incredible 106,561 journeys were provided by volunteers. For many people, particularly those living in rural communities, this support is essential in helping them stay independent, healthy and connected.

Become a Volunteer Driver

Community Transport Schemes across Devon are looking for more volunteer drivers to help keep these vital services running. Whether you're available once a month, three times a year or several times a week, every journey makes a difference. Volunteers can choose when and where they drive, with no minimum commitment required, and mileage is reimbursed.

Volunteer driving is ideal for people looking to give something back, meet new people, gain experience for their CV, or stay active while moving towards retirement. It may also suit people between jobs, new arrivals to Devon, hybrid workers, or anyone looking for a flexible way to support their local community. Anyone aged 21 or over with at least two years' driving experience is encouraged to register their interest through a simple online form.

Community Transport Schemes – Join the Pilot

Could your Community Transport Scheme benefit from more volunteer drivers? Schemes across Devon are being invited to join an exciting pilot programme that aims to develop a new, scalable approach to volunteer recruitment and retention. By taking part, schemes will help shape a model that will:

- Attract and retain more volunteers.
- Support the long-term sustainability of community transport services.
- Make volunteering more flexible and easier to manage.
- Improve access to health, wellbeing and community services for people living in rural and coastal areas.
- Bring different generations together to support rural mobility and reduce isolation.

If you are interested in taking part can contact DAS at **dasadmin@ndvs.org.uk** or speak to Claire on **07542 000027** or Tim on **07840 452147**.
