Editorial

April Fools, April Showers, April Skies...

It's all about April. Actually the more I write it, the weirder the word looks. Funny how the brain works. Apparently you can spell it multiple ways. Anyway, by the time you read this, the clock's will have sprung forward, which personally I find really does make a positive difference, the lighter evenings actually giving you a chance of getting out for some fresh air after work. Easter is on its way, which means a nice long weekend, school holidays, longer days and spring properly kicking in...which means it'll probably snow, ah well. Gah, now I've spoiled the imagery, unless you like snow of course.

So, what's been going on? Well, as ever, Yeofest was a roaring success up at the hall, the weather held up, the punters came. and they drank and were very merry, more of that inside.

What else? The trains should hopefully be back after another week or so of, the albeit pretty reliable but non-connecting, rail replacement buses.

There's not a lot happening this month to be honest and the pub is off on their holidays after Easter for a couple weeks, so checkout their opening times just in case you're aiming on ambling down there.

In other, rather dull, news, I'm still battling converting this amazing publication from the soon to be obsolete Publisher to something else. Will it be Powerpoint? Will it be Word? Maybe I'll make into a macro-laden Excel spreadsheet or just write it up by hand. The options are endless. I told you it was dull.

Have a great April/Appril/Aprill/Apryl/Aprile/Ape-ril...

Cheers...

FROM THE PARISH COUNCIL

REPORTING A PROBLEM WITH ROADS TO DEVON COUNTY COUNCIL

All drivers will be aware that state of repair of roads in Crediton Hamlets Parish is appalling, with more and more potholes (or are they craters?) appearing. The lack of action by Devon County Council is exceedingly frustrating but please report potholes in the hope this makes a difference.

Problems with roads can be reported on the Devon County Council website:
www.devon.gov.uk/roads-and-transport/report-a-problem/

There is a link to this page under "Useful Information" on the Parish Council website
www.creditonhamlets.org.uk.

If the pothole has already been reported please add yourself to the existing report so that Devon County Council is aware that another person has reported the problem.

At last beautiful sunshine and I'm walking down to the ford at Binneford from Shortacombe Lane. It's bright even in the leafless woods, as the lane plunges steeply down the hill leaves the air and warmth comes up to meet me as the ford comes in view.

I trim the brambles and ivy over the little footbridge to keep it open and notice many new primrose seedlings are peeking out. I leave enough brambles hanging over to save them from being trampled.

The Binne is running very clear. The rains have washed the bottom clean. The banks look intact despite the floods and wildflowers and ferns are beginning to stick their heads up. There are wood anemones and dog mercury. Harts tongue and dry ferns. All have withstood long periods of immersion and their roots have helped hold the bank in place.

The Yeo like the Binne is now gurgling sweetly, only the lumps of wood on the bridge tell of its fury a few short weeks ago. The sheep lie in the sunshine and primroses fill the steep banks. In this moment all felt good, I'm lost in time, cut off from the crazy world in this secluded valley.

The Binne brook meets and is taken by the Yeo gurgling on through pastures and pristine ancient woods winding its way to Yeoford. Yeo-meaning river. Binne-meaning bear.

This little brook at its ford is deadly and should never be crossed when in flood. The Wildlife logbooks are now at Holy Trinity Church and the Duck at Yeoford awaiting your entries.

YEOFEST 16—SATURDAY 14TH MARCH 2026

Have you ever wondered how the beers get selected for Yeofest? Well, it's a complex process of travelling about, visiting beer festivals when we can, sampling ales and then perusing lists of award-winning beers. Once we have a rough selection, we try to get a balance of bitters, best bitters, red beers, stouts and golden ales, as well as plenty of mid strength session beers (around 4% ABV), milds and the odd strong one. Donations from our favourite local breweries are always a fantastic boost.

This year, the odd (very!) strong one was Scilly Stout (7%), a late replacement for the award-winning Penzance Mild which sadly we were unable to secure due to brewing issues. So, our balance was a little skewed, with three dark beers, two of which were above 6%.

Nevertheless, the drinkers were happy, and the three dark beers sold quickly, with Twickenham Brewery's amazing Honey Dark being the first ale to go. Not far behind was Gurt Coconuts Rum Stout (6.8%) and the festival Champion Rude Giant's Best. The accolade being decided the night before by the core organisation and volunteering team via a blind-tasting session, where all the beers were all sampled and in random order without knowing what they were and then the scores tallied up, before the big reveal.

YEOFEST 2026

Festival Champion Beer

- 1. RUDE GIANT – BEST**
- 2. Black Country Ales – BFG**
- 3. Twickenham Brewery – Honey Dark**

If you think organising a beer festival sounds like a breeze, we also supply souvenir glasses (this year sponsored by the wonderful Sprig and a Wish – check out their website: asprigandawish.co.uk) with a topical March hare-based design, T-shirts for our brilliant volunteers, food, this year sponsored by Sweetpeas and Paul Brimacombe, and we organise music: thank you to Busker Bernie, Rob and Jason for keeping us entertained in the daytime. And not to mention securing sponsors, those wonderful businesses and individuals without whom, Yeofest couldn't run. More about them over the page...

Everything worked well: the trains ran and the sun shone meaning people could spill out onto the recreation ground. We had around 300 drinkers through the doors, the usual CAMRA crew early on, the masses in the afternoon and the hardcore volunteers and villagers in the evening. By then we had our dancing shoes on. for the awesome Yeo Division who carried us through til the end.

Our ale enthusiasts left satisfied once again with several compliments on our selection of ales. "Best ever" one happy drinker proclaimed on his way out!

All proceeds from Yeofest go towards maintaining and running our excellent hall and recreation ground facilities and this year we are hopeful that we have made over £3,000, helping to keep hire charges affordable for all users.

This year, we once again had many amazing sponsors, and they were: The Beer Engine, Brooks Contracting Ltd., Christine Francis, Crankhouse Coffee, Crediton Milling Company, Devon Tree Services, Firebrand Brewing, GP Plumbing, Heating and Renewables, Grape & Grain, Hanlons, Hilton Barnfield, Isca Pianos, Just Gels, McCormack Training, The New Inn, Paul Brimacombe, Pete and Rod Davis, Pool n Spa, Rick & Al, Simpkins Edwards, Sprig and a Wish, Sweetpeas, SW Galvanizing, The Duck at Yeoford, Tom Cobley Tavern, Ubicom, Utopian and Wild Earth Tattoo Studio.

Without these companies and individuals, the festival would be a lot harder to make a success and speaking of individuals who make it a success, a huge thank you to the volunteers and organisers who gave a ridiculous amount of time and effort on the run-up, on the day and clearing up the day after.

We are always seeking new helpers, sponsors and organisers. If you would like to get involved next year, please give us a shout. Cheers!

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.
